## DIGITAL IMAGING SERVICES

### **Photography of 2 Dimensional Art** (work up to 60")

#### **Full Service - \$50**

Our full service option includes a consultation, high definition image capture, digital file adjustments including color correction and dust spotting, an 8.5 x11 proof, and a digital file on a CD or DVD.

#### **Capture and Digitize Only - \$30**

Our Capture and Digitize Only option includes image capture and a digital file on a CD or DVD. No color correction or dust spotting is included. Please be aware that some knowledge of Adobe Photoshop might be necessary to dust spot and color correct your files.

Notes about 2D capture:

Color matching requires having the original in hand, therefore, we encourage customers to have this work done at the time the image is captured. Color accuracy is particularly important for publication or when prints will be made.

\* Special arrangements can be made for work exceeding 60". Please contact us for a custom quote.

### **Photography of 3 Dimensional Art**

Our 3D Photography service includes high definition image capture, digital file adjustments including color correction, a contact sheet, and a CD or DVD with the digital files.

- **\$100 per hour** (one hour minimum)
- **\$60/hr** for an assistant, if needed

### **Scanning:**
